

Electronic Money Company's "NO CONFUSION GUARANTEE"

What We Promise To Do:

We are committed to providing you, our customer, competitive rates along with a complete disclosure and full understanding of all the merchant processing fees. If you are approached by someone offering you a deal that sounds too good to be true, call us and send us their written proposal showing all *their* fees.

We are confident in our ability to be competitive, and we will show you:
***side by side results in a completely detailed, line by line
"No Confusion" comparison.***

If, during the term of your current Merchant Processing Agreement with us, you receive a legitimate written offer, which offer includes all applicable rates, fees and charges, including, monthly fees, discount fees, surcharges, per item fees, etc., that would result in you paying less per month for your credit card processing,
we will meet or beat a legitimate offer, or pay you \$100!

What You Promise To Do:

If you are approached by someone trying to convince you to switch processors,
send their written proposal to info@electronicmoneycompany.com
or call **505-296-2847**.

We will provide you with a completely, detailed, line by line comparison and
we will meet or beat a legitimate offer, or pay you \$100!

You have nothing to lose but confusion!
